

# *Stand in Comfort* **stabi Series**

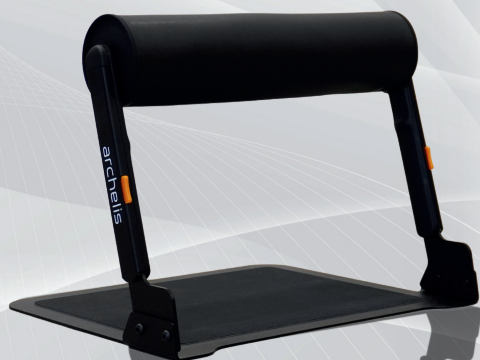

## Product Brochure

# Stabi Series

By just resting your knees,  
make standing work more comfortable.

*stabi half*

## Suggested retail price

Stabi Half EXGEL cushion

€600

## Use cases

Production lines,  
assembly, press work

Logistics, packaging

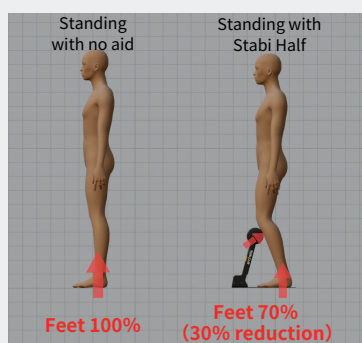

Reception desks,  
café workers, office workers

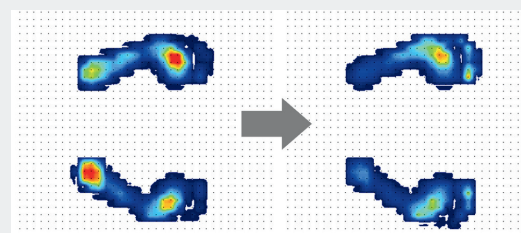

## Strain Reduction

In a standing position, 100% of body weight is concentrated on the feet, putting strain on the legs and lower back. The Stabi Half distributes weight more evenly, reducing **pressure on the feet** by up to **30%**.

In house study

Load on feet reduction when using Stabi Half
